

Remanufactured Cylinder Head Kits fit with confidence!

The ACDelco remanufactured cylinder head kit program is the complete cylinder head repair solution as it also contains the gaskets and head bolts (when called for by the OE manufacturer), required to do the job.

FEATURES & BENEFITS:

- / All ACDelco remanufactured cylinder heads are dismantled, thoroughly tested for cracks and corrosion and remanufactured using state of the art manufacturing facilities.
- / ACDelco cylinder heads include new valves and valve seats and in most applications new valve guide inserts.
- / Includes new premium gasket set and new cylinder head bolts (when applicable).
- / All petrol cylinder heads are suitable for unleaded and LPG applications.
- / A comprehensive range covering car and light commercial applications.
12 month / 20,000 km national warranty.

ACDelco offers a comprehensive Product Range to suit Most Makes & Models.
