

# Wipers fit with confidence!

There is an ACDelco wiper product for most makes and models on the road. Once you experience the quality, effectiveness and ease of installation, ACDelco will become your brand of choice for automotive wiper products.

## FEATURES & BENEFITS:

- / Wiper Blades & Refills.
- / OEM Genuine Quality.
- / Durability tested in weather conditions from  $-40^{\circ}\text{C}$  ~  $+80^{\circ}\text{C}$ .
- / Wiper Blades have an all metal structure and are aerodynamically designed to have an anti-lift effect at high speed driving.
- / Wiper Blades and Refills are tested for 480 hrs tests snow, ice, dry and water spray. [Continuous 1.5 million cycles under wet condition (water spray : 2.0L/ min).]
- / Wiper Blades are coated for anti-corrosion, and use stainless steel rivets/pivots.
- / Rubber is manufactured by three dimensional computer simulation design to maximize wiping, eliminate noise, increase life, and also improve flexibility by introducing specially treated natural rubber. All rubber blades are made of specially moulded and processed natural rubber and feature long lasting service life and high wiping performance.
- / The Wiper Blade spacer is designed to minimize friction among parts to improve wiping quality and reduce noise.
- / The Wiper Blade vertebra spring is assembled with rubber and stainless steel spring and distributes uniformed pressures to the rubber to keep the same wiping quality at any points.
- / Wiper Blades come with multiple adapters to match most vehicle arm types for easy installation.
