# Engine Oil

## heavy duty diesel

15W40

### General Description

#### 15W40

This ACDelco Select Fleet Diesel 15W40 Engine Oil is a breakthrough in Diesel engine oil technology, as it is suitable for naturally aspirated and turbocharged European, American and Japanese Diesel engines operating under the most arduous conditions in both on and off highway applications. The ability to attain high performance specifications in a single product will benefit both commercial fleet and plant operators where OEM's specify differing oil requirements. This new oil product is ideal for mixed vehicles and machinery fleets which want to use one type of oil throughout the year.

### Benefits

#### 15W40

- / Rationalisation of grades: separate oils for American, Japanese and European engines no longer required.
- / Excellent viscometrics result in a stay-in-grade and maintained quality, even under the most severe conditions.
- / Miscible (can be mixed) with all mineral oil and synthetic oil – No flushing is required.
- / Better maintenance of lubricating oil film for reduced wear and increased engine durability.
- / Superior soot handling capabilities when compared to CH-4 lubricants.
- / Superior performance over CH-4 lubricants.
- / Proven bore polish protection.
- / High detergent and dispersing properties, excellent soot handling capabilities.
- / High performance in high and low temperature conditions.
- / Very high resistance against oxidation.
- / Very large application field.
