

Oil, Air, Cabin & Fuel Filters fit with confidence!

ACDelco Oil, Air and Fuel filters provide the first line of defence from harmful contaminants that can seriously degrade engine performance and lifespan - ACDelco Cabin filters also look after your health and comfort.

FEATURES & BENEFITS:

- / The range of ACDelco Oil, Air, Cabin and Fuel Filters meet or exceed original equipment requirements.
- / All ACDelco Filters use world-class design, technology and engineering processes.
- / All ACDelco filters are manufactured to the demanding TS16949 quality standard in QS9000 and ISO9001/2 accredited facilities.
- / All raw materials used in ACDelco filters are thoroughly tested to ensure compliance to specifications.
- / Every ACDelco filter design is tested to meet customer expectations for form, fit and function.

Cabin Filter

ACDelco Cabin Filter helps protect vehicle passengers from harmful gases and airborne allergy irritants, and helps protect the vehicle's interior surfaces and trim from airborne dust and dirt.

Fuel Filter

ACDelco Fuel Filter makes up the other component in keeping the intake system clean. Clean fuel will prolong the life span of the injector and maintain higher fuel efficiency.

Air Filter

ACDelco Air Filter is most vital in keeping the contamination of the intake system. It prevents contaminated air to be mixed with the fuel before entering the combustion chamber.

Oil Filter

ACDelco Oil Filter is easy to install and its primary aim is to reduce wear and tear on the engine. The oil filter removes contaminants from the frictional parts which helps the cooling and sealing of the engine to promote efficiency and cleaner environment.

ACDelco offers a comprehensive Product Range to suit Most Makes & Models.

Oil, Air, Cabin & Fuel Filters

DURAGUARD OIL FILTERS

- / The advanced ACDelco Duraguard Oil Filter design traps harmful microscopic contaminants.
- / The cellulose and synthetic fibres used in Duraguard Oil Filters can trap contaminants as small as 25 microns (smaller than a third of a human hair).
- / ACDelco Duraguard filters are designed to have high efficiency capabilities throughout the entire life of the filter.

AIR FILTERS

- / ACDelco Air Filters are available in panel and round styles to fit most vehicles.
- / Resin-impregnated media and optimal pleat counts are utilised by ACDelco to increase the filter contaminant holding capacity.
- / All ACDelco Air Filters use world-class filter element technology to block airborne dust and dirt.

Cut Away of an ACDelco Oil Filter.

FUEL FILTERS

- / ACDelco Fuel Filters are engineered to prevent engine contamination and to help provide a long, trouble-free engine life.
- / Available in a variety of designs including in-line carburetor, fuel injection systems including petrol and diesel applications.
- / ACDelco Fuel Filters meet or exceed all application requirements and provide a well balanced overall mix of filtration performance, materials compatibility, flow management and durability.
- / The filter media used in ACDelco fuel filters are pleated to provide more surface area improving fuel filter capacity.

CABIN FILTERS

- / ACDelco Cabin Filters help protect vehicle passengers from harmful gases and airborne allergy irritants
- / All ACDelco Cabin Filters also help protect the vehicle's interior surfaces and trim from airborne dust and dirt.
