

## Fully Synthetic 5W50 Engine oil

**Part Numbers:**      5 Litre – 89021800

### **DESCRIPTION.**

- *ACDelco 5W50 Engine oil* is a high performance, all season, SAE 5W-50 fuel-economy engine oil for use in normally aspirated and turbocharged cars and vans with gasoline and diesel engines.

### **ADVANTAGES.**

- Easier cold starting.
- Outstanding protection against wear due to the shortest oiling time after starting and stable lubricating film at full throttle operation.
- Catalytic converter compatible.
- No loss of performance as a result of unwanted deposits in cylinders, on pistons, valves, spark plugs and in turbochargers.
- Absolute minimum oil consumption due to lowest possible evaporation losses due to the quality of the base oil.
- Protects against sludging.
- Low maintenance costs. The excellent long life characteristic of this synthetic oil allows oil change intervals to be extended. This reduces downtime, waste oil and filter disposal costs.
- Compatible with all gaskets and seals.

### **SPECIFICATIONS.**

API	SL/CF
SAE	5W50

### **APPLICATIONS.**

Gasoline and diesel engines requiring API SL/CF or lower.

### **TYPICAL CHARACTERISTICS.**

Appearance	Amber
Density @ 15°C, kg/L	0.846
Flashpoint, COC, °C	220
Kinematic Viscosity @ 100°C, cSt	18.5
