

75W90 Gear oil

Part Numbers: 5 Litre – 89021797
 20 Litre - 89021798

DESCRIPTION.

ACDelco 75W90 Gear oil is a semi-synthetic, multipurpose, automotive gear oil with outstanding high temperature stability and performance and excellent low temperature fluidity, particularly suited to modern five speed manual gearboxes.

ADVANTAGES.

- Rationalisation of grades - can be used when SAE 80W/90, SAE 80 and SAE 90 viscosity grades are specified.
- Easier cold-start gear changes
- Longer life – increased oil change intervals
- Mixes with mineral gear oils
- Outstanding protection against wear. The lubricating film remains stable under very high loads and foaming is minimal at high speeds.
- Protects all metals normally found in gearboxes against corrosion and does not leave deposits on oil seals.
- Compatible with all elastomers and other sealing materials.
