

ACDelco Engine Oil

Heavy Duty Diesel & Low SAPS Heavy Duty Diesel

General Description
HD Diesel 15W-40
An all Fleet high performance engine oil for diesel engines with and without turbo charging in trucks, buses, construction, industrial machinery, pick-ups and vans. Select Fleet HD Diesel 15W40 is a breakthrough in diesel engine oil technology. Suitable for European, American and Japanese diesel engines operating under the most arduous conditions in both on and off highway applications.

General Description
Low SAPS HD Diesel 15W-40
An Ultra High Performance Premium engine oil for Commercial vehicle diesel engines. Developed for extended service intervals, it is particularly advantageous in vehicles fitted with exhaust gas treatment systems such as Diesel Particulate Filters (DPF), Diesel Oxidation Catalyst (DOC), high rate of Exhaust Gas Recirculation (EGR), two-stage turbo charging and SCR-Catalyst (Selective Catalytic Reduction) or any combination of the given technologies.

Advantages
HD Diesel 15W-40
<ul style="list-style-type: none"> Rationalisation of grades. Stay-in-grade quality, even under the most severe conditions. Prevents excessive viscosity increase due to high temperature oil oxidation, Proven bore polish protection. Longer drain intervals, less downtime. Better maintenance of lubricating oil film for reduced wear and increased engine durability. Superior soot handling capabilities when compared to CH-4 lubricants.

Advantages
Low SAPS HD Diesel 15W-40
<ul style="list-style-type: none"> Protecting exhaust gas treatment systems with very low sulphated ash levels and low content levels of phosphorus and sulphur (SAPS). Excellent wear protection, even under constant full load due to the new additive and base oil technology. Highest neutralization potential (TBN) in its class. Durable protection against aggressive acids and corrosion during the whole oil drain interval.

ACDelco offers a comprehensive Product Range to suit Most Makes & Models.
