

ACDELCO CAR CARE CHEMICALS

FUEL SYSTEM CLEANER

PART# 88901983

APPLICATION

Startability problems in the winter due to frozen moisture in fuel lines. Gum and varnish build-up in fuel system will impede fuel flow.

PERFORMANCE

- helps remove and prevent moisture and ice from collecting in the fuel system
- helps protect fuel tank and internal engine components from corrosion
- prevents gum and varnish from forming in the fuel system
- may help to reduce and remove contaminants in fuel tank, lines, pumps, and metering systems
- suitable for use in carburetted and fuel injected gas engines

APPLICATION

Add entire contents to fuel tank every second fill-up (50-60 liters per fill-up). Add two bottles to gas tank after every tune-up.

CHARACTERISTICS

A concentrated additive package containing solvents, lubricants and anti-corrosion additives.

Specific Gravity, @ 15°C:	0.845
Flash Point (TCC):	19°C
VOC, (% w/w):	48
NFPA Flammability:	Flammable Liquid Class IIIB

PACKAGING MOST OFTEN SPECIFIED

350 ml PVC bottle with child proof cap

PRECAUTIONS

Flammable liquid. Keep away from open flame or spark. Store in a cool, dry, well ventilated area. Avoid inhalation of vapors. Avoid eye and skin contact. Wash thoroughly after handling. See Material Safety Data Sheet for further information.
